Subject: **Giving a ride to a minor child age 12 through 15 years old without an adult escort.**

You or someone on your behalf recently contacted Veyo to schedule a ride for a child in your care aged 12 through 15 years. You told us that the child in your care needs to ride to an appointment without a parent or caretaker present. To schedule a ride to an appointment, and for the child in your care to ride alone to this appointment, you must complete and return the enclosed Parental Consent Form *before* the appointment.

Veyo must receive the consent form **at least two business days** before a routine appointment. Veyo will contact you to schedule the child's ride once we receive the form. If Veyo has not contacted you to confirm the child's ride at least two business days prior to the appointment, you will need to call Veyo to schedule the child's ride. If the form is not submitted on time, an adult must ride along with the child to this appointment, or the appointment must be rescheduled.

Please note:

- This is a shared ride service.
- The child is responsible for being ready for pickup on time.

Mail or fax the completed and signed form to Veyo at:
